## **Garrison reports on the status of its annual financial statements and MD&A**

**Toronto, Ontario - Monday, November 30, 2009** Garrison International Ltd. (GAU: TSX-V) (“Garrison”) announced previously that there will be a delay in the filing of its audited annual financial statements for the year ended June 30, 2009 (“Financial Statements”), and the related management’s discussion and analysis of those financial statements (“MD&A”), which were due on October 28, 2009. Garrison last reported on the status of its Financial Statements and MD&A in its press release of November 16, 2009 and there have been no material changes since that date.

Due to a temporary shortfall in available funds, delays had arisen in the preparation of Garrison's Financial Statements and MD&A. Garrison is using its best efforts to remedy the default, and is actively seeking the financing required to continue its operations. To that end, Garrison has engaged an agent to assist Garrison in obtaining debt financing. As disclosed in Garrison’s press release of November 4, 2009, it has obtained a loan of \$250,000, which is being used to facilitate continued operations and administration, including the preparation and audit of the Financial Statements, until such time as a larger loan financing closes. Garrison is working with its auditors towards the completion and filing of the Financial Statements and MD&A by December 28, 2009.
