## **Garrison obtains management cease trade order**

**Toronto, Ontario - Monday, November 2, 2009**

Garrison International Ltd. (GAU: TSX-V) (“Garrison”) announced previously that it anticipated a delay in the filing of its audited annual financial statements for the year ended June 30, 2009 (“Financial Statements”), and the related management’s discussion and analysis of those financial statements (“MD&A”), which were due on October 28, 2009.

Current market conditions have made it difficult for junior resource exploration companies such as Garrison to obtain financing for their operations. Due to a temporary shortfall in available funds, delays had arisen in the preparation of Garrison's Financial Statements and MD&A. Garrison is using its best efforts to remedy the default, and is actively seeking the financing required to continue its operations. To that end, Garrison has engaged an agent to assist Garrison in obtaining debt financing. Garrison is optimistic that debt financing will close by mid-November 2009. In the meantime, Garrison has obtained a loan of \$250,000, which will be used to facilitate continued operations and administration, including the preparation and audit of the Financial Statements, until such time as the larger loan financing closes.

Garrison anticipates that the Financial Statements and MD&A will be filed by December 28, 2009.

Due to the anticipated delay in filing, on October 29, 2009, Garrison has obtained a management cease trade order (“MCTO”) from the Ontario Securities Commission (“OSC”), its principal regulator, prohibiting trading in securities of Garrison by its Chief Executive Officer and the Chief Financial Officer. The MCTO will be in place until November 14, 2009, and may be extended by the OSC. Garrison acknowledges that the OSC may impose an issuer cease trade order restricting all trading in the securities of Garrison if the default is not remedied by December 28, 2009.
